## **THROTTLE SENSOR**

### **REASONS FOR ALLOWANCE**

The following is an Examiner's statement of reasons for allowance:

Claims 1-11 have been found to be allowable over the prior art for, at a minimum, the reasons given during the prosecution of parent application 07/581,301.

New dependent claims 12-15 have been found to be allowable over the prior art due to the claims' dependency on claim 11.

New claim 16, and thus claims 17-19, have been found to be allowable over the prior art because the prior art fails to teach or suggest the claimed subject matter of claim 16, which includes each and every limitation that was present in the previously issued claim 11. Thus, claim 16 has been found to be allowable over the prior art for, at a minimum, the reasons given during the prosecution of the parent application 07/581,301 regarding claim 11.

Any comments considered necessary by the Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
